

OBJECTIVELY SPEAKING

Are you responsible for creating, revising, and monitoring IEP goals and objectives for students receiving special education services and support?

Do you find writing high quality goals and objectives difficult?

Do you struggle trying goals and objectives to the Individual Transition Plan (ITP) for students 14 years of age or older?

Objectively Speaking is the workshop for you!!!!!!

IDEA, the federal law governing special education requires, the IEP team to create and implement *measurable* annual goals and objectives to track a child's academic, behavioral, and physical mobility progress.

If you are a new educator or an experienced educator who needs to "refresh" your goal/objective writing skills, join Dr. Allison Fahsl and Dr. Karee Nasser from McKendree University for one of the 90 minute workshops listed.

Audience Targeted:

- **Session 1** = Early Childhood Staff & Speech & Language Therapists/Pathologists
- **Session 2** = Kindergarten - 6th/7th Grade Special Education Teachers & School Psychologists
- **Session 3** = 8th - 12th+ Grade Special Education Teachers (Emphasis on merging Individual Transition Plan with effective goals and objectives)

***see registration form for session times**

Each workshop materials include multiple examples of IEP goals and objectives. Participants will leave the session armed with new knowledge to improve their IEP writing skills immediately.
