PEAK LEVEL 1 TRAINING

PEAK stands for Promoting the Emergence of Advanced Knowledge. It is an assessment and intervention program designed to teach language and cognition to individuals with autism, related disabilities and other areas of need.

This 12-hour and BACB CEU available training provides an engaging journey through the scientific underpinnings of PEAK, showcases, the research on PEAK, explains the entire assessment process, details the assessment-to-treatment process, and finally walks through multiple examples of how to run PEAK treatment programs.
